

Harlequin Basics

The same great Bunded Tanks... without the extras.

Harlequin Basic Bunded Tanks feature the same premium quality mouldings as Standard Harlequin Bunded Tanks, but without the extras. Ideal for installation at domestic premises, Harlequin Basic Bunded Tanks are available in a choice of 5 popular capacities from c.1100 litres to c.2700 litres.

A range of extra cost options are available, designed especially for use with Basic Bunded Tanks including Apollo electronic oil tank contents gauge, tank fitting kit and bund warning alarm.
